

PURE AND HEALTHY  
RESPONSIBLE  
FARMED ASC  
CERTIFIED  
RAINBOW TROUT  
IN SAFE AND  
CLEAN INDOOR  
CONDITIONS

### RAINBOW TROUT REVOLUTION FROM FINLAND

We grow pure and healthy rainbow trout in safe and clean indoor conditions using an industry-altering **Recirculating Aquaculture System RAS** technology. We control the entire production chain with full traceability from fish feed and eggs to indoor farming (RAS) and processing, all under one roof.

All of this helps reduce environmental impacts, protect marine ecosystems and minimise food waste.

#### WE GIVE YOU

- Steady production flow guarantee with 100 % deliveries 365 days a year
- Steady pricing without seasonal fluctuations over the year.
- High quality remains the same throughout the year
- No plastics or diseases and no antibiotics or pesticides.
- Great story to tell your customers
